

Camp for Kids Dealing with Grief

July 18-20, 2017

Rays of Hope is a fun camp for children and youth ages 6-17. It helps kids understand that they are not alone and that having fun is part of healing.

Rays of Hope participants will have the opportunity to...

- connect with other kids that have experienced a loss
- better understand grief
- find safe and creative ways to voice feelings and thoughts
- nurture memories
- build self-confidence and self-worth
- take time to play, laugh, cry and feel a sense of normalcy

Rays of Hope is led by CHP Hospice staff who are trained in children's grief issues.

Camp runs 8:30 a.m. to 3:30 p.m. daily. Transportation available if needed. Pre-registration is required by July 1 (if you wish for your child to have a t-shirt).

Cost is FREE and meals are provided!
