Mission Statement

The mission of Community Health Professionals is to provide comprehensive, progressive, community-based, home health care services to the people of northwest/west central Ohio.

Community Health Professionals believes in high quality, compassionate care that promotes independence, dignity and safety.

As a community liaison, Community Health Professionals provides educational opportunities for staff and citizens and cooperates with other community resources to meet the needs of the populations it serves.

Community Health Professionals is accountable for fiscally sound management to ensure financial stability.

Nondiscrimination policy: It is the policy of Community Health Professionals, Inc. to provide service to all persons without regard to sex, color, race, pregnancy, age, religion, creed, national origin, ancestry, veteran status, qualified disability, genetic information, marital status, or other status protected by law and in compliance with 45 CFR Parts 80, 84, and 91 respectively. The same requirements are applied to all and there is no distinction in eligibility for, or in the manner of providing services. All services are available without distinction to all program participants. All persons and organizations having occasion either to refer persons for services or to recommend services are advised to do so without discrimination.

HOME HEALTH CARE

Skilled home health care is one of the core services offered by Community Health Professionals, Inc. In addition to nursing services, the program includes physical, occupational and speech therapy, home health aide, and medical social services.
